Message / Invitation from Organisers

MIDCIPS & ANCIPSNZ- 2023

Dear colleagues,

Greetings!

On behalf of Organising Committee, Mid-Year Conference of Indian Psychiatric Society & 48th Annual Conference of Indian Psychiatric Society (ACIPSNZ 2023) , It is our pleasure and privileged to invite you all to the twin conferences being held simultaneously on 27th, 28th & 29th October 2023, at Srinagar. The “Paradise on Earth” Kashmir is among the world famous destinations of our country, sprawling with the natural scenic beauty of Dal Lake, mountains, gardens and houseboats.

The theme of the MIDCIPS 2023 “*Treatment Adherence in Psychiatry*” is very appropriately chosen as many of our psychiatric patients don’t adhere to the treatment due to many factors like Patients’ individual behaviour, lack or poor social/family support, treatment and illness-related clinical conditions, and the health system barriers etc. This subsequently results in adding to the burden of psychiatric morbidity in our community.

The theme of ACIPSNZ 2023 “*Preventing Self harm- A Multi-disciplinary approach*” is one of the emerging challenges of the modern day era, since we have witnessed tremendous pressures and difficulties as a result of multiple stressors complicated by recent COVID 19 pandemic all over the world. Younger population adapt to faulty coping strategies and present with self-harming behaviours. The deliberations during the two days academic program is aimed at exploring the source, symptoms and solutions to such issues.

Distinguished and eminent speakers will be contributing and sharing their knowledge to make the academic program useful. Participating delegates in the conference will exchange their ideas upon different aspects of the topics relevant to the themes. We are sure that the twin conferences will fulfil the objective with which it is conceived.

The organising committee will spare no effort to make these conferences, not only an excellent academic programme but also a rich social and cultural experience.

Looking forward for your active and enthusiastic participation and making conferences memorable events.

Wishing for every success of the **MIDCIPS & ANCIPSNZ- 2023**
