“CULTURE, MILIEU & MENTAL
ILLNESS”

SARDAR PATEL MEDICAL COLLEGE, BIKANER
28TH AND 29TH SEPTEMBER 2024

MESSAGE FROM PRESIDENT AND SECRETARY OF INDIAN PSYCHIATRIC SOCIETY-NORTH ZONE

Dear Colleagues,

Indian Psychiatric Society-North Zone is holding its 49th Annual Conference on 28th-29th September, 2024 at Sardar Patel Medical College, Bikaner.

The historical City of Bikaner is famous for monuments, palaces, forts, ancient temples, and tasty and healthy Rajasthani food.

The theme of the conference- "*Culture, Milieu & Mental Illness*" is apt and suitable in present times. Culture is unique set of views, beliefs, values, and attitudes shared by a group of people that distinguish them from other groups. It is constantly changing and is impacted by both people's beliefs and the demands of the milieu in which they live. Culture shapes how individuals identify what is abnormal and deviant, how the disease is characterized, and how and where help is sought. Role of culture has been conceptualized in help seeking, pathways to care, attitude towards treatment and role of families with regard to mental illness. There has been tremendous research and experiential knowledge in culture, psychosocial factors and environmental influences on promoting mental health, but in adverse situations, increasing vulnerability and affecting course and outcome of mental illness.

The Organizing Committee along with Executive Council of Indian Psychiatric Society-North Zone is designing an excellent academic program involving various experts and stalwarts in the field of Psychiatry.

On behalf of the Executive Council of Indian Psychiatric Society-North Zone, we would like to invite you all to participate in the 49th Annual Conference of Indian Psychiatric Society-North Zone at Bikaner, and share your experiences how local cultural milieu and wisdom has influenced recognition of mental illness and service delivery and has contributed to positive mental health.

You all are aware of the organizational abilities, academic zeal and kind hospitality of our colleagues from Bikaner. We are confident that under the able leadership and untiring efforts of Dr Achyut Trivedi, Dr Harful Singh Bishnoi and Dr Shri Gopal Goyal and entire Organizing Team, this event will be a memorable event with rich academic feast.
